The address is 108 Washington Street; however, it is located directly behind our previous Y facility that has an address of 705 Center Street. The Community Y is due west of the Center Street viaduct.

### **From the West**

You will most likely enter Marshalltown on Highway 30. While traveling East, take the exit flagged Highway 14 and Marshalltown Community College. Turn left from the on ramp...you are now traveling North on Center Street/Hwy 14. Following are land marks you will pass... McDonalds, Applebee's, Marshalltown Mall, Long John Silvers, Kmart and eventually you will come to the intersection of 14/Center Street and Anson Street (HyVee, Hardees and Hollywood Video are all at this intersection). Continue traveling North through that intersection. You will cross a very small bridge next to HyVee. Just before you travel over the viaduct, there is a street to the right you will take (please note that all North bound traffic must exit right and not cross the lane with on coming traffic). It resembles an off ramp and will curve you under the viaduct and take you straight to the Community Y.
